Rolling Tree programme- Ongoing to be discussed at next meeting Action Gordon & Ian 2. House at bottom of Burntbroom Drive still boarded up. Committee agreed that issue re the unoccupied on Burntbroom Drive should be monitored on a neighbourly basis. Any changes or signs of house being used by local children will be reported to lan or Stewart-Action All committee members 3. Committee reported that there had been some drainage work to the stairs and paths from Greentree Drive to Oakhill Ave but that the stairs and paths themselves were still in poor condition. Gordon reported that he had received confirmation from Councillor Coleman that work was to be carried out in early May. This will be monitored and reported at next meeting-Action Gordon 4. Area of land across from estate has shown no further signs of being developed on to date. This may be due to objections by 4 Councillors and 2 community councils and also that the area is home to bats which are a protected species. Beverly again checked with planning and confirmed that the status was still 'pending'. It was noted though that there had been revised plans submitted-Beverly will recontact for an update and			Stella Fraioli	Proposed:-Jennie MacLeod
